

The New Art and Science of Teaching for Career and Technical Education

DAY ONE: Creating Conditions for Engagement, Belonging, and Mastery

7:00–8:00—Registration and Breakfast

- Design and implement proficiency scales aligned to CTE standards
- Why vocabulary is a game-changer in CTE
- Deliver actionable, personalized feedback that improves student performance and motivation
- Aligning assessments to go on the right-hand side of the scale

DAY TWO: Building Rigorous, Student-Centered CTE Classrooms

7:00–8:00—Registration and Breakfast

- Use NASOT to identify strategies teachers could use based on student needs identified by various assessments
- Apply engagement strategies that make CTE learning active, inclusive, and meaningful
- Create classroom systems that promote mastery, reflection, and growth
- Foster a more humanized learning environment where students feel safe, seen, and supported

Break and lunch times will be announced onsite. Agenda is subject to change.
